WORK EXPERIENCE

WEBICOSOFT , RAWALPINDI
React Native Developer / Mar 2022 - Current

I am junior React native developer in Webicosoft. Where i developed front-end for both iOS and Android mobile applications using React Native. Worked with a team of developers to create features for new and existing applications, including user interface design, API integration, and performance optimization.

SWISMAX SOLUTION , ISLAMABAD
Front-End Developer (Internship) / Oct 2021 - Feb 2022

I have done 3 months of internship in Swismax solution. I wrote code to develop web applications using HTML, CSS, JavaScript, and PHP. Collaborated with designers and developers to create responsive websites compatible with all devices. Maintained existing websites by fixing bugs, adding features and optimizing code as needed.

PROJECTS
